

CAMPUS PARKING LOT SAFETY PROCEDURES

We understand that parking and dropping off can be inconvenient.

- Please follow the traffic flow and parking zones as indicated by the pavement markings.
- We ask that you pay special attention to the drop off circles at the front of the school and in front of the office.
- Please do not use the drop off circle during the school day.
- The left lane is for driving only. Under **NO CIRCUMSTANCE** should a vehicle stop in this lane **OR** in front of the office.
- If you would like to stop and drop your child off - please use the right (inside) lane. The right lane is for dropping off and picking up **ONLY**. Please do not park, idle or leave your car unattended.
- Please do not park in the designated areas across the grass or across from the gym that are marked **RESERVED**.
- Please do not leave your car idling within 100 feet of school doors as we have students and staff that struggle with asthma.
- Student safety is of the utmost importance to us. Please drive slowly.
- Thank you for helping us keep your child(ren) safe!
