## ECS Preschool Parent Referral Program 2018-2019

### 1. **What is the ECS Preschool Parent Referral Program?**

The ECS Preschool Parent Referral Program provides an incentive and reward for an eligible referral of new preschool students to ECS:

- From families who do not already have children enrolled at ECS
- Who enroll for the first time at ECS, in a class with available seats
- Who attend ECS for one school year or calendar year (as explained in Item 2 below)

The ECS Preschool Parent Referral Program does not apply in these situations: to siblings of currently or previously enrolled students; or to students who are returning after an absence.

### 2. **What is the reward?**

The reward for a preschool student referral to ECS is a one-month tuition waiver! The tuition waiver is equal to the amount of the referred student's monthly preschool regular tuition installment rate. The tuition waiver is applied to your family in one of two ways:

- A. If the referred student begins ECS at the beginning of the school year and completes the school year, the tuition waiver is applied for your child's last month of the same school year; for example, one eligible student = May/June tuition waived for your child. (You will receive a one-month tuition waiver for each referred student.)
- B. If the referred student begins ECS after the first month of the school year and stays continuously enrolled for the equivalent of one school year (i.e. still enrolled at ECS 12 months later), then you will receive the one-month tuition waiver for your child in May/June; for example, one eligible referral enrollment in October 2018 continuing enrollment through September 2019 = May/June 2020 tuition waived for your child. (Multiple eligible referrals apply as noted in Point A above.)

### 3. **Is there a limit on the number of tuition awards a family can receive?**

No. A family can accrue a month's tuition waiver for each eligible referral enrolled for a full school or calendar year. (refer to Item 2 above). The tuition waivers are non-transferable. A referring family must request a referral award by the end of the referred student's first academic or calendar year based on the award requested above in Item 2A or 2B.

### 4. **How do I request a referral award?**

If you are a referring family and wish to make a request for a referral award, you and the incoming family must complete the information at the bottom of this form and return the entire form to the school office.

### 5. **How many tuition rewards can be claimed for each new student?**

Only one reward may be credited for each eligible new student. Entering families will be asked who referred them to ECS, and the reward will be given on that basis.

### 6. **Whom shall I contact if I have questions?**

Questions? Call the ECS Bookkeeper at (360) 357-5590.
